# **SECRETARY GENERAL'S MESSAGE**

**Greetings Delegates,**

From the first time when I sat in an MUN in which I wasn't allowed to speak to right this moment a lot has changed. The change of my mind opening up into new directions and my thoughts reaching heights of creativity, I have no one to thank except for the concept of Model United Nations.

I feel that each and every one who sets foot in an MUN to think of themselves as a cluster of ideas rather than people dressed up finely in blazers, because when you shift the perspective from a materialistic one to an abstract one, you not only get up and speak about world related issues but you get to learn mountains unimaginable. You ultimately decide to make the best out of an MUN, not us.

My goal for GlenGaze is very simple. If you leave the place becoming a better person, a more informed person rather, than you were the moment you entered, my motive is fulfilled.

# **DEPUTY SECRETARY GENERAL'S MESSAGE**

## **Greetings Delegates!**

As the Deputy Secretary General of the conference, I whole heartedly welcome you all to GlenGaze MUN 2019. Over the passage of time, as MUNs have gained acclaim over almost all domains of academia, by encouraging unprecedented levels of informed debate amongst youngsters, through this edition, we wish to add yet another milestone to this journey. Speaking from a personal vantage point, I believe that the insight and an average 15 years old would gain from sitting and debating about globally pertinent issues as a mere weekend activity, in the form of just Model United Nations conferences, will not just add on to what they learn right now, but also to what they wish to learn in the future.

All in all, I wish all of you all the best for your experience, not as our esteemed guests, but also as the leaders of tomorrow.

# **CRITERIA FOR BEST DELEGATION AWARD**

The Best GlenGaze MUN Delegation Award is the most prestigious award at the SVIS GlenGaze MUN 2019. This award is given to the institution whose students have excelled in the Conference and displayed skills appropriate to their roles as representatives of nations and portfolios. This performance has been validated by the Executive Boards of respective committees through the awards in each committee, which form one part of the judgement criteria for the Best GlenGaze MUN Delegation Award.

The intention behind releasing this document is two - fold. Firstly, in today's scenario, when there are so many MUNs happening all over, sometimes more than one on the same weekend, the Secretariat of SVIS GlenGaze MUN 2019 seeks to give the best possible experience to all its participants. We seek to add to their knowledge, skills, and experience, and contribute our best to your growth. Our method to do this shall be transparent. Since it is a student-driven and learning - oriented activity, we seek to make transparent the standards of excellence on which your students are judged.

This document is to aid your understanding of the internal processes of the Secretariat when they shall decide the Best GlenGaze MUN Delegation Award in this edition of SVIS GlenGaze MUN 2019.

Secondly, this award is also one of the most coveted, and consequently, fraught with controversies and rumours. The underlying factor for the same can be said to be bias, which has often led to the worthy not being awarded. We understand the pain of being unappreciated after working hard, giving it ones best, and being validated by the Executive Board, yet failing to win this award. We hope that you condition your approach towards substantive feedback, as it is a learning process. Each Delegate, whether they have won or not, should seek feedback and inputs from their Executive Board for improvement. Similarly, an institution can approach us for feedback regarding their participation and a delegation feedback after the conference.

## **PARAMETERS OF JUDGEMENT**

There shall be four parameters discussed below. Examples are given to help you understand the same.

These parameters are:

1. Definition of a Delegation and its minimum requirements
2. Contribution of the Delegation to the Conference through their participation
3. Committee Awards
4. Total number of Delegates participating

## **DEFINITION OF A DELEGATION AND ITS MINIMUM REQUIREMENTS**

A Delegation shall be defined as a team of duly registered participants from one institution, representing one or more countries/portfolios in a minimum of FOUR out of five committees.

## **CAVEATS**

One Teacher and One Delegate shall head each Delegation, names of who should be sent to

the SVIS GlenGaze MUN through e mail. If there are any Delegates from the school who have not registered, or any dues relating to the Registration Fees have not been granted clearance by the School by the beginning of the conference, that Delegate or in the latter case, that Delegation will not be eligible for the Award. Schools should take into account primarily a student's dedication and interest in the type of committee while registering them. This ensures a sustained interest throughout the preparation process, which is integral to a good performance.

## **CONTRIBUTION OF THE DELEGATION TO THE CONFERENCE THROUGH THEIR PARTICIPATION**

The contribution of the Delegation shall be calculated in the following way- Presence in FOUR out of Five committees is mandatory for a Delegation wishing to be eligible for this award. This presence is irrespective of the number of Delegates the Delegation has in that committee as long as there is a minimum of one delegate per committee in Four out of Five committees. Each Delegation fulfilling these criteria shall be given ONE point.

## **COMMITTEE AWARDS**

Every Committee at SVIS GlenGaze MUN will have ONE Best Delegate Award. Each Delegation has the opportunity to earn the following points for each award their members gain individually -

Best Delegate Award

Honourable Mention Award

Special Mention Award

## **TOTAL NUMBER OF DELEGATES PARTICIPATING**

Each Committee at SVIS GlenGaze MUN will have its own Executive Board, and separate Judgment Criteria for judging committee awards. The number of awards in each committee will be communicated to all the participants on the first day of the conference. Every Delegate has an equal opportunity to win according to the nature of the Judgment Criteria, which takes into account both subjective as well as objective assessment. Even if a Delegation has more than one participant in the same committee, it will not give them an unfair chance of winning an individual committee award as everyone will be subjected to the same criteria, and the Best Delegate and other awardees shall be chosen accordingly by the Executive Board. A Delegation with a larger number of participants might increase the opportunity of winning an individual award in each committee, however, does not become a criteria in judgment of the Best GlenGaze MUN Delegation Award in itself. In case a Delegation has multiple individual awards, the collective score (as per criteria given previously) will contribute positively to their chances of winning a Best GlenGaze MUN Delegation Award.

## **AWARDS & CERTIFICATES**

The following awards will be given:

Best Delegate, Honourable Mention and Special Mention. (These awards will be given to outstanding delegates in each committee. There will be ONE Best Delegate award in each committee entitled to a certificate and a cash prize. There will be one Honourable Mention and one Special Mention Awards depending on the discretion of the executive board)

Best Delegation

(This award will be given to the Delegation, which excels in all areas.)
