"Surround yourself with a trusted and loyal team and it makes all the difference" so today welcoming the chair leaders and delegates of the house. My name is siya gupta and i represent singapore. Crisis ~~of~~ have changed over the course of time but it has shaped itself from ~~having~~ education to having confidence for women to stand their own passion and ~~comp~~ organisation. Working women in Singapore are expected to play the role of traditional women at household ^{as well as at work} and despite the rising levels of education and attainments females are still fewer in business practices as compared to male managers. Singapore's push for entrepreneurship has been mostly seen among men and in contrast women in Singapore has fallen down to 22% from 2018. Gender equality in Singapore's workforce could add S\$26 billion to the country GDP by 2025. So this is time for all ladies to come up and ~~do~~ ^{do} to dream. Development authority start digital pack of ~~tools~~ ^{tools} for up-coming ~~enterpreneur~~ ^{entrepreneur}s. PSG boosts SME's access to government agency and ~~sole~~ digital solutions to enhance business processes. SCWO women organisation is working and encouraging to close the gaps through board gender etc. All these opportunities are there to increase women's knowledge, asset & financial ^{builds} ~~are~~ a women confident in her skills and talents, creating a cultural awareness of well-equipped and supportive women. And for solving this crisis govt. is working for designing policies and solutions keeping women in mind.
