**Felicitations on 20 years of CHL Journey** 21-July-2015

Today we complete 20 years of CHL establishment and I felicitate you for being part this journey.

I seek to earn your trust and partnership every day through the integrity of our relationship.

It has been a privilege for me to have worked so closely with you and your company over the years. I am humbled by your support and your belief in CHL vision.

We have been on an amazing journey together so far. But the best part is just beginning. I look forward to seeing what we achieve in the years ahead.

Again, my sincere thanks for your trust in CHL – past, present, and future.

Sudheen M  
President

As HR and it will be visit by Ch...

# Knowledge Operation Management System (KOMS)

The KOMS software is designed to be an active partner to the needs of the legal profession. In fact it files away data, removes duplication, updates case histories, enables analysis and ensures that processes and workflow are followed in the office. The system is designed to increase consistency and foster dependability on itself rather than on a human counterpart. In fact it does this so efficiently that you would wish that it could also bring you a steaming mug of coffee.

## MODULES & FUNCTIONALITY:

- ✓ Automate work process and workflow on cloud
- ✓ Find and locate old cases easily
- ✓ Store, search and manage case related documents
- ✓ Manage clients
- ✓ Manage retainer clients with their allocated work
- ✓ Manage expenses on each case
- ✓ Task Management
- ✓ Meeting Management
- ✓ View client-wise work report
- ✓ View daily work report of the employee
- ✓ View monthly report of the employee

## Manage Survey (Survey eZ)

- Lets put an end to the struggles of managing a survey/ poll! Try Survey eZ.
- Survey eZ is the easiest online survey app from CHL SofTech that makes it a breeze to create surveys, collect responses and analyze results.
- This cloud based software allows you to curate customizable surveys according to our clients requirements.
- Can create multi sized polls, have customized themes as well.
- An auto e-mail with result is one of the features with biased elimination as well.
- Shows periodic survey reports.
- Has generated feedback form also.
